MEMORANDUM FOR RECORD

SUBJECT: Trip Report - 4 November 1969

1. Location and Purpose of Visit:

The undersigned visited the David Clark Company in Worcester, Massachusetts, to introduce the Contracting Officer, [redacted] CMD/OSA, to the primary Life-Support Contractors and to acquaint him with the S1010 PPA and related equipment. Additionally, a [redacted] Headquarters also accompanied the above-named individuals on this one-day trip in order for her to become familiar with the pressure suit art in general for her work in evaluating foreign technology.

2. Results of Visit:

A. A detailed examination of plant facilities and the S1010 PPA was provided to the visitors and proved to be very enlightening and beneficial.

B. Discussions with the Project Monitor were also conducted on the recent neck-ring seizure and currently steps are being taken to evaluate either nylon or teflon spacers or possibly an all-ball configuration to replace the existing ball and spring arrangement.
